6.) ADVISOR assessment presentation - Grant Duwe, Ph.D.

- ❖ Dr. Duwe presented the ADVISOR assessment to the Board. It was opened to question and answer followed by discussion. ADVISOR assessment is still under review, but shows promising results for sexual recidivism risk in females convicted of sexual offenses. Idaho inmate population was a part of Dr. Duwe's study, and the second review should be completed within the next month.

8.) Tiered Sexual Offender Registry Discussion

- ❖ Ms. Volle presented a PowerPoint outlining former discussions.
- ❖ There was discussion about why the ADVISOR tool is not being used overall. It may not encompass all that is needed. Do clinicians worry about a new tool?
- ❖ It was agreed that all assessment testing would be monitored. Janeena White may have data to support testing.
- ❖ Discussion of the need for fees for the tiered registry was continued.
- ❖ There was the suggestion of a background check. A full criminal history is more substantial and should be used over a background check.
- ❖ There was continued discussion of the length of tiers and potential movement. Should there be a petition for movement? It must be specific.
- ❖ Only the current sex offense will determine the stay on the registry. No other crime.
- ❖ Continued discussion of going inactive while in prison, which does not count towards the time on the registry.
- ❖ You cannot petition to move on the registry if there is a current felony.
